

## Volunteer Role: Food Hub Volunteer 1

### **What's this role all about?**

Helps set up before the Food Hub session. This includes weighing any food donations, checking the food is safe to distribute and setting up the food stations. During the session, responsibilities include serving food to visitors, chatting with visitors and making the Food Hub coordinator or Session Lead aware of any further support visitors may need.

### **What skills do I need?**

- Ability to positively interact with people- both volunteers and visitors to the Food Hub.
- Needs to be physically able to lift crates of food and clean tabletops and fridges.
- Basic literacy to be able to read food packaging for storage instructions and use by dates.

### **How much time will I need to give?**

Approximately 3.5 hours per session. Starts an hour and a half before opening to help set up and stays for the duration of opening times.

### **Is there any training and support available?**

- Induction to the Food Hub.
- Regular volunteers will need to undertake an adult DBS check and Food Hygiene Level 2 training (we cover the cost of these)

Number of time credits available per session: 2
