

## Volunteer Role: Junior Youth Club Volunteer

### **What's this role all about?**

Working alongside our Youth Club workers to help facilitate youth activities with children ages 8-12 in the Abbey ward. Our youth club provides a range of activities such as games, sports, crafts, and cooking.

### **What skills do I need?**

- Some experience working with children/young people is great but not essential – enthusiasm and a willingness to get stuck in are the main requirements.
- You will need to be able to work in a team, and in a calm, creative manner with the children.
- You will be able to lead by example and model positive behaviour and communication to the children, to support the children with their development.

### **How much time will I need to give?**

Approximately 2 hours per session, a minimum of once a fortnight. This role is regular as consistency is important for the children to develop positive relationships with adults.

### **Is there any training and support available?**

- Safeguarding training will be provided, and you will need to undertake a DBS check (we cover the cost of this).
- You will be working alongside an experienced youth worker each session who will be able to provide you with guidance.
- We aim to support you with any other training needs you identify.

Number of time credits available per session: 1
