

Job Title: Community Researcher – *Together We Thrive* Project

Hours: 20 hours total (flexible) between November 2025 – May 2026

Pay: £15 per hour – paid as self-employed income or as vouchers (to be agreed with individuals)

Location: Abbey Ward, Cambridge

About the Role

We are looking for local people to join our *Together We Thrive* project as Community Researchers. You'll help us understand the experiences, needs and ideas of people living in Abbey by talking to residents, gathering stories and insights, and feeding this back into the project.

Key Tasks

- Have conversations with local residents to collect views and experiences
- Take part in workshops and focus groups to help scope our research
- Record and share findings with the project team
- Support community workshops and discussions
- Be a voice for Abbey residents in shaping the project

Skills & Qualities

- Good communication and listening skills
- Comfortable talking with a wide range of people
- Interest in the local area and in making a positive difference
- An interest in health and wellbeing is desirable
- A connection to Abbey (living, working or volunteering locally) is desirable

Support & Training

You'll receive training, guidance and support from the project team. No prior research experience is required – just curiosity, commitment, and a willingness to learn.

Closing Date: Mid-day Friday 17th October 2025

To apply, please email admin@abbeypeople.org.uk with a letter or video setting out why you'd like to be involved in the project. If you aren't able to send an email, please pop into the Hub or ring 01223 211945 and we'll arrange a suitable way for you to apply.
