

## Come and join us!

We always need donations of high-quality books of all kinds to keep our Little Free Libraries stocked and varied.

Could you help us source, sort and store these donations?

Could you arrange a 'book drive' for us at your workplace or community group?

Could you support our Little Free Libraries with a financial donation - allowing us to buy new books for special occasions (to include in our Christmas hampers or for summer holiday reading clubs) or respond to individual requests (eg: books in large print, or for those with English as a second language, or those learning to read later in life)?

Could you be a 'Book Angel' offering sustained practical and fundraising help for our Reading Rich project to ensure its longevity?

Are you an author or illustrator who could offer a fun reading event for the community?

Do you have carpentry skills or access to building materials and would like to help us build more Little Free Libraries?

Contact Catherine with all your page-turning ideas on:
